NOTICE OF ORDINARY MEETING

A special meeting of the Society will be held in the University of Adelaide Napier 101 (formerly No. 5) Theatre at 7.45 pm on

Monday 17 October 1977

for the premier screening in Australia of the Institute of Papua New Guinea Studies' film entitled,

'Gogodala Artistic Cultural Revival'

This film, produced by the Institute of Papua New Guinea Studies, filmed by Chris Owen, covers the Socio-cultural impact of the Gogodala Cultural Centre in Balimo and illustrates how the people of the Aramia River in the Western Province of Papua New Guinea have had their Society shattered by the effect of Christianity and Colonialism.

Mr. Tony Crawford, a member of this Society, has been working in this area for many years and will present the film at the special screening.

The film will run for approximately 2 hours.

The eighth general meeting of the Society for 1977 will be held in the Museum Education Building, North Terrace, Adelaide at

8.00pm Monday 24 October 1977

AGENDA

1. Apologies.

2. Confirmation of minutes of general meeting held Monday 26 September 1977. A copy of these minutes is attached.

3. New members.

4. Papers & Journals. Papers and journals received from other Societies and Organizations will be tabled at the meeting.
AGENDA (Cont'd)

5. Films.
Two films shown at the ANZAAS Congress Melbourne this year have been recommended and will be screened at this meeting. They are:

The Early Americans U.S.A./ANZAAS 1977
Presents the story of man from his arrival in the New World sometime during the Ice Age to just short of the 15th Century. Encompasses early human experiences in America, pre-Columbian history of the Indian peoples and the rise of their cultures here, and two contemporary American research projects in archaeology/anthropology. (41 mins)

First Man and His Environment (The Omo Diggings) France/ANZAAS 1977
In the past years the paleontological finds of the Omo River, in the Rift Valley north of Lake Rudolf (Kenya), have become the yardstick for measuring the pliocene and pleistocene areas in Africa. Research conducted on the site has led to identifying the natural environment in which Homo australipithecus developed in the Omo Valley. (43 mins)

6. November meeting.
The November meeting of this Society, the Annual General Meeting, will be held on Monday 28 November, 1977. The President, Mrs. Val Campbell, will deliver her Presidential address at this meeting.
