NOTICES

1. FIELD TRIP 7TH to 9TH OCTOBER 1978.

Members who intend to participate in this Field Trip to the Robe-Kingston area are asked to complete the Registration form at the back and return as soon as possible to the Secretary.

The Trip will include visits to Aboriginal and European Historic sites.

Arrangements at this stage are as follows, but for further information contact Vern Tolcher.
(a) Meeting Place.
Salt Creek, located on the Coorong, Highway No. 1, approximately 220 Kilometres (132 miles) from Adelaide via Tailem Bend, by hopefully no later than 11.00am on Saturday 7th October 1978. We will travel in convoy to Robe a further 126 Kilometres (76 miles).
(b) Camping Place.
It is intended to camp at the Robe camping and caravan park called Lakeside Select Caravan Park on the Saturday and Sunday nights, using this area as a base for short trips.
A limited supply of camping equipment can be made available to those members and friends who would like to camp but do not possess a tent or camp stretcher etc.
For those who wish to stay in more comfortable quarters, it is suggested that they contact the Caledonia Inn, Robe (Ph. 087-682029, $19.00 twin $10.00 single) and make their own booking arrangements.
(c) Food.
Members are asked to bring their own food. To assist in a community type kitchen the following is suggested.
Lunches - Cut lunch.
Breakfast - Eggs, bacon, cereal, fruit, etc.
Dinners - Barbeque.
(d) Evening Entertainment.
It is hoped that we will be able to provide some form of evening entertainment, even if it is just a yarn around the camp fire.

2. SUMMER SCHOOL IN ARCHAEOLOGY.

The Victoria Archaeological Survey in conjunction with the National Parks and Wildlife Service of New South Wales wish to advise that enrollments are now being accepted for the annual Summer School in Archaeology. The School will be held at Wood Wood on the Murray River in northwest Victoria between the 1st of December 1978 and the 14th January 1978.

Intensive courses are offered in archaeology, with active participation in excavations, field surveys and laboratory analysis.
