1. **LIFE ON EARTH - DAVID ATTENBOROUGH**

The awe-inspiring story of all time is the story of life itself. It is this story David Attenborough has set out to tell and he has succeeded brilliantly. Using all his skills as writer, traveller and biologist, the author has taken the different events in the evolution of life, has given us an explanation for them, and has shown how they are mirrored in the characteristics of living things today.

**Details:**
- The book follows closely the sequence of the current ABC/BBC television series, although it contains much information that could not be included in the T.V. programmes.
- 320 pages
- Over 100 pages of colour photographs and full colour jacket.
- 245mm x 178mm (10" x 7" approx.)

**The Offer:**
Publishers recommended retail price $19.95. Price to members through W.W.F. Australia, postage included, $17.95.
